**OFFICE OF PETITIONS  
ON PETITION**

This is a decision on the petition under 37 CFR §1.137(a), filed February 19, 2002.  
This petition is being treated under 37 CFR §1.181(no fee) as a petition to withdraw the  
holding of abandonment for the above-identified application.

The petition to withdraw the holding of abandonment is **GRANTED**.

The application was held abandoned for failure to timely reply to the Notice to File  
Missing Parts of Nonprovisional Application mailed on July 25, 2001. Petitioner was  
informed of the above-identified application's abandonment by a Notice of  
Abandonment mailed on February 11, 2002.

Petitioner maintains the items identified as missing in the Notice (basic statutory filing  
fee, oath or declaration, and small entity statement) were submitted on June 2, 2000  
prior to the Notice of Missing Part was mailed out. In support, petitioner has provided a  
copy of an stamped post card receipt. The postcard acknowledges receipt of a  
preliminary amendment, a revised set of drawings labeled figs. 1a through 8C, a  
declaration and power of attorney and a verified small entity statement on June 2,  
2000. The postcard receipt serves as prima facie evidence the documents listed were  
received at the USPTO. A review of the file indicates the documents listed on the  
Notice of missing parts have been located.

Based on the facts stated in the instant petition, and the corroborative evidence  
provided, it is concluded that the holding of abandonment was improperly imposed.

The Notice of Abandonment is hereby vacated and the holding of abandonment  
withdrawn.

Since the petition has been granted under 37 CFR §1.181, the Petitioner's request to  
have the petition considered under 37 CFR §1.137(a) is **dismissed as moot**.

This application is being forwarded to the Office of Initial Patent Examination Division for further processing.

Telephone inquiries concerning this matter may be directed to Petitions Attorney Charlema R. Grant at (703) 306-0251.
